## MAYO RAID AT LOS MOCHIS

Four Americans and One English-  
man Reported Killed in Attack  
on United Sugar Company  
Stores.

DOUGLAS, Ariz., November  
20.—The forces of Gen. Francisco  
Villa are retreating from Hermo-  
sillo, leaving one thousand dead,  
wounded and captured, according  
to official Carranza reports.

Villa forces under Gen. Jose  
Rodriguez have broken through the  
cordon placed around Cananea  
by Gen. Obregon, and are rushing  
to the assistance of Villa.

The retreating Villa forces are  
being pursued by Gen. Dieguez,  
Carranza defender of the capital.  
Some retreating troops reached as  
far north as Imuris by railroad.  
Gen. Obregon has diverted his  
troops, attacking Cananea to the  
west, to cut off the escape of  
Villa's men to Nogales.

## Villa Troops Driven North.

Gen. Dieguez, reporting to Obregon  
tonight, stated that a sortie from Her-  
mosillo, after fighting the combined  
forces of Villa and Urbalejo at Alamo,  
twenty-three miles north of Hermosillo,  
drove the Villa troops northward, leav-  
ing 600 dead on the field. The Carranza  
loss was 14 officers and 150 men  
killed and wounded.

Gen. Obregon reported from Del Rio  
that Gen. Rodriguez, with all his  
forces at Cananea, penetrated with 1,200  
cavalry of Col. Cardenas, Potosi, to  
the north, and that he had today  
and took the road for Imuris, on the  
main line of the Southern Pacific to  
Hermosillo, upon which Villa is being  
driven.

Gen. Obregon advised that he had col-  
lected all of his forces and was al-  
ready to attack Cananea. He had  
strong forces at Cananea, and had  
ordered Dieguez to pursue Villa's troops  
closely. Gen. Obregon said that his  
own cavalry should reach Nogales by  
Monday morning and block the way of  
the Villa army to the border.

## Villa Troops Claim Victory.

NOGALES, Ariz., November 20.—Ap-  
proximately 150 wounded Villa soldiers,  
including Gen. Trujillo, Yaqui leader,  
arrived at Nogales, Sonora, late today.  
Villa officials declare that Gen. Obre-  
gon, Carranza commander, was re-  
pulsed in the fighting near Cananea.  
This is denied by other sources.

Gen. Obregon, who is leading an as-  
sault on the garrison of Gen. Dieguez  
at the capital of Sonora, is reported  
to have been expected tonight.

## Carranza Given Glad Welcome.

LAREDO, Tex., November 20.—Gen.  
Venustiano Carranza arrived at Nuevo  
Laredo, opposite this city, tonight, and  
was welcomed by the ringing of bells,  
blowing of whistles and a salute of  
twenty-one guns. Several thousand  
persons greeted Carranza when he  
stepped from his train.

After an informal welcome at the  
station, Carranza was escorted by a  
cavalry escort through the city, where he  
delivered an address. Tonight a celebra-  
tion was held on the plaza.

EAGLE PASS, Tex., November 20.—  
First Chief Carranza has taken the  
lead in measures looking to the re-  
turn of the "great car," according to  
agents throughout south Texas, to  
those Mexicans who fled from the re-  
treating Villa forces.

The first chief, according to im-  
migration agents, hopes by his exam-  
ples to induce other large land owners  
to do likewise.

## Raid on Los Mochis.

SAN FRANCISCO, Nov. 20.—Four  
Americans and one Englishman were  
killed, the supply stores of the United  
Sugar Company looted, irrigation  
pumps stopped and between 500 and  
1,000 horses and mules belonging to the  
sugar company driven off, according to  
advices today from Los Mochis, eight-  
een miles inland, which last Tuesday  
was raided by Mayo Indians and Villa  
troops.

One hundred and ten refugees who  
sought safety here still are about the  
United States gunboat Annapolis.

The British subject reported killed  
was T. B. Lewis of Birmingham, En-  
gland. He was wounded during the  
raid. It was said that he was in the  
street for several hours calling for help  
when an Indian shot him through the head.

## WINTER SOCIAL PROGRAM AT THE WHITE HOUSE

January 7, Friday, Pan-American  
Reception, 9:30 p.m.  
January 11, Tuesday, Cabinet  
Dinner, 8 p.m.  
January 21, Friday, Diplomatic  
Dinner, 8 p.m.  
January 25, Tuesday, Diplomatic  
Dinner, 8 p.m.  
February 4, Friday, Judicial Re-  
ception, 9:30 p.m.  
February 8, Tuesday, Supreme  
Court Dinner, 8 p.m.  
February 18, Friday, Congres-  
sional Reception, 9:30 p.m.  
February 22, Tuesday, Speaker's  
Dinner, 8 p.m.  
March 3, Friday, Army and  
Navy Reception, 9:30 p.m.

With a pan-American reception to be  
held the evening of Friday, January 7,  
formal dinners and receptions at the  
White House will be resumed. Official  
announcement last night set forth the  
program.

There will be the usual dinners in  
honor of the cabinet, the judiciary and  
the Speaker of the House of Repre-  
sentatives. The program shows that  
there are to be two "diplomatic din-  
ners," in place of the one formerly  
given by the President of the United  
States. At the latter, it is presumed,  
the representatives of foreign powers  
which are at war with each other will  
be separately entertained.

There will be no general diplomatic  
reception, as in past years, but a  
reception taking the place of the  
general diplomatic reception  
previously given at the White House.  
The program likewise makes no men-  
tion of a New Year reception, such as  
previously has been held by the Presi-  
dent of the United States.

Other receptions held in past years,  
such as in honor of the judiciary,  
Congress and the army and navy, will  
be held this winter. The army and  
navy reception of the evening of Friday,  
March 3, will conclude the formal en-  
tertainments.

## Changes in Practice.

The official announcement solves all  
speculation as to the resumption of so-  
cial life at the White House during the  
coming season. The important changes  
in the program which are noted in the  
remaining of the first event of the  
group, and calling it a pan-American  
reception, and the announcement of two  
diplomatic dinners in place of the one  
time-honored event of the latter class,  
are the changes which will be happily  
received by the European war and the  
American peace advocates.

What representations were made to  
the Greek monarch have not developed,  
but the Greek monarch has been de-  
clared by the foreign minister to  
Greece, according to word which has  
reached Paris, that the present negotia-  
tions with Greece were not being con-  
ducted with a view to securing her par-  
ticipation in the war. The diplomat in-  
dicated that what was expected of  
Greece was the maintenance of her be-  
nevolent neutrality and that she "accord  
friendly aid to the allies in the Balkans  
without interference by Greece pre-  
sumably being meant by the quoted  
phrase."

## May Force Greek to Act.

The present military situation in Ser-  
bia, which appears to make a Serbian  
retreat into Greece almost inevit-  
able, will, the belief is confidently ex-  
pressed here, force Greece within twenty-  
four hours to abandon the ambiguous at-  
titude which has been a cause of un-  
certainty to the allies.

Resolutions adopted today by the  
Missouri progressives included the fol-  
lowing:  
"We see nothing in the present atti-  
tude of either of the old parties that  
holds out any promise for the future.  
As in the 1912 campaign, the powers  
of graft and special privilege are in  
control of the old party organization  
and are openly preparing to write plat-  
forms and nominate candidates in har-  
mony with their interests."

"We, therefore, stand squarely on  
our national platform of 1912 and favor  
the nomination of national, state and  
county tickets on that platform."  
The mention of Roosevelt and John-  
son came at the end of the day's con-  
ference. Judge Albert D. Norton, pro-  
gressive candidate for Governor of  
Missouri in 1912, offered a motion,  
which was passed, that the  
meeting declare itself in favor of plac-  
ing the two 1912 candidates at the  
head of next year's ticket.

Perkins Sounds Keynote.  
"So long as thousands are as they are,  
there is only one thing the progres-  
sives can do, and that they will do—  
continue their party organization and  
report that public opinion is running  
strongly for the entente allies. But  
since it is a well known fact that King  
Constantine's choice waits upon the  
outcome of military events which at  
present would hardly prepossess him in  
favor of the entente allies, there is no  
real expectation in London that Greek  
assistance will be forthcoming."

## Revolt Propaganda Spreads.

A propaganda of revolts has spread to  
a considerable extent. There are  
open threats against the reigning dy-  
nasty. A corps of gendarmes in the  
Greek district of Crete, is said to have  
been agitating in favor of M. Venizelos.  
The Greek cabinet is said to be considering  
a proclamation of martial law.  
Private advisers from German sources  
through Copenhagen that the Athens  
government has ordered all Greek ves-  
sels from the Aegean Sea, and that  
King Constantine is generally taken as a  
hint that King Constantine means to  
defy the allies. The order is accepted as  
an attempt to forestall detention of  
Greek craft by the French and Italian  
navies, the step the English have taken  
already.

The stoppage of overseas supplies,  
the time of forced inactivity due to  
the long period of mobilization, dis-  
satisfaction with the food and the dis-  
tress of war have contributed to the  
unrest in the Greek army.  
King Constantine is further alarmed  
by the existence of a plot, aimed at  
the throne.

ALEXANDRIA, Egypt, November 20.  
—Egyptian post offices today are re-  
ceiving the mutilated or disabled in the  
war. This preference extends to every  
branch of the civil service and not  
merely to one-half of the places, as  
had been ordered under a ministerial  
decree.

Amendments to the measure were ac-  
cepted, giving preference, among the  
mutilated or disabled, to those who  
were the fathers of the largest fam-  
ilies. Another amendment, voted  
unanimously, was that places should  
be reserved also for disabled soldiers  
in monopolies subsidized by the state.

## PEOPLE ARE FOR THE ALLIES

Propaganda of Revolts Spreads and  
Threats Are Heard Against  
Dynasty—Ruler Reported  
to Be Alarmed.

LONDON, November 20.—Earl  
Kitchener, British war secretary,  
arrived at Athens today. The  
earl and the British minister were  
received this afternoon by King  
Constantine.

An Athens dispatch to Reuter's  
Telegram Company says that  
Earl Kitchener, after his audience  
with the king, which lasted more  
than an hour, conferred with  
Premier Skouloudis, and left  
Athens at 6 o'clock this evening.

"The anxiety felt over the an-  
nouncement of the allies' inten-  
tion to bring pressure to bear on  
Greece, in order to assure the un-  
molested passage of the allied  
troops through Greek territory, in  
case such a course is necessary,"  
adds the correspondent, "has been  
perceptibly allayed by Lord  
Kitchener's visit."

The Athens correspondent of the  
Exchange Telegraph Com-  
pany sends the following:  
"The Athens newspapers pub-  
lish a communication issued by the  
British legation, stating that  
the entente powers have declared  
an economic and commercial  
blockade of Greece. The cabinet  
afterward sat from 9 o'clock in the  
evening until 3 in the morn-  
ing."

## Follows Cochran Visit.

Earl Kitchener's visit follows closely  
that of Denys Cochran, the French cabinet  
member who went to Greece on a spe-  
cial mission to hand in an audience with  
the king of the Hellenes.  
What representations were made to  
the Greek monarch have not developed,  
but the Greek monarch has been de-  
clared by the foreign minister to  
Greece, according to word which has

## SAYS PREPARATION FOR PEACE'S NEED

George W. Perkins Urges Tar-  
iff Commission to Fight Com-  
petition After War Is Over.

KANSAS CITY, Mo., November 20.—  
Speaking at a dinner of the Knife and  
Fork Club here tonight, George W.  
Perkins, chairman of the national ex-  
ecutive committee of the progressive  
party, declared the United States was  
as unprepared for peace as it was for  
war. He said that while President  
Wilson's defense program had met with  
almost universal approval, when  
peace came in the United States  
would face an industrial invasion. He  
advocated the creation of a non-parti-  
san tariff commission as a means to  
combat this.

At the time the great European war  
suddenly began an automatically high  
tariff wall was built around this coun-  
try. Europe's orders set our idle fac-  
tories at work," he said. "This, of  
course, is purely temporary condi-  
tion. Some day the war will cease and  
our men will no longer have this work."

## Europe Must Get Back Gold.

"Identically the same condition will  
prevail that existed when the war  
broke out, plus another extremely im-  
portant factor, namely, we will have a  
very large amount of Europe's gold.  
Europe, to get back the gold, will find  
it easiest to sell us manufactured goods  
at prices low enough to win back what  
she has lost."

## FRENCH GOVERNMENT TO FAVOR WAR CRIPPLES

PARIS, November 20.—The chamber  
of deputies has passed a bill giving  
preference in the government service  
to men mutilated or disabled in the  
war. This preference extends to every

## ROOSEVELT TO HEAD BULL MOOSE TICKET

Missouri Progressives De-  
mand Full Slate, With Old  
Leaders in Nomination.

KANSAS CITY, Mo., November 20.—  
The leaders of the progressive party  
in Missouri are planning for the 1916  
campaign with full national, state and  
county tickets, headed by Theodore  
Roosevelt and Hiram W. Johnson. That  
attitude was expressed in a resolution  
adopted by the party leaders after a  
conference here today.

The action at the conference followed  
the announcement of George W. Per-  
kins of New York, chairman of the na-  
tional executive committee of the  
party, that he had called a meeting of  
the committee to be held in New York,  
November 25. The purpose of the com-  
mittee meeting will be to arrange for a  
meeting of the national committee, at  
which a date and place for a national  
convention will be fixed.

## HE VIEWS WITH ALARM Representative Campbell Figures Treasury Balance Less Than in Buchanan's Day.

"The real embarrassment in the  
democratic camp is the fact that there  
is less in the United States Treasury  
at this minute than there was during  
the closing hours of the Buchanan ad-  
ministration."

This is the statement of Representa-  
tive Campbell of Kansas, republican,  
and about as staunch a believer in a  
protective tariff as can be found in the  
entire country. Mr. Campbell has re-  
cently returned from New England,  
where he assisted in stumping Massa-  
chusetts on a tariff platform solely.

"The administration has ordered an  
enormously expensive army and navy.  
Now, how is it going to pay for them?"  
The situation is much like the family  
which ordered a fine limousine car and  
then discovered that its income would  
not cover the ordinary everyday living  
expenses. There is less than three and  
a half million dollars in the Treasury  
today that is not already covered by  
some liability.

"There is not a railroad which is ex-  
tending its lines. There hasn't been a  
mile of new rail laid for months. Lo-  
comotives bought by roads are simply  
to replace old engines that couldn't be  
patched any longer."

## GOMPERS IS AGAIN FEDERATION HEAD

Labor Delegates Re-Elect Him  
President at Convention's  
Closing Session.

SAN FRANCISCO, November 20.—  
Samuel Gompers of New York city was  
re-elected president of the A. F. of L.  
at the concluding session of the annual  
convention, held here tonight.

Of three dissenting votes, one was an-  
nounced as that of Adolph Germer, a  
socialist of Collinsville, Ill., who asked  
that official record be made of his vote  
against Gompers.

All the officers of the federation were  
re-elected, almost unanimously. Be-  
sides President Gompers, these were:  
James Dugan, Quincy, Mass., first vice  
president; James O'Connell, Wash-  
ington, second vice president; D. A. Hayes,  
Philadelphia, third vice president;  
Joseph E. Valentine, Cincinnati, fourth  
vice president; John Alpine, Chicago,  
fifth vice president; H. B. Perlman, St.  
Louis, sixth vice president; Frank  
Luffy, Indianapolis, seventh vice presi-  
dent; William Green, Indianapolis,  
eighth vice president; John B. Lennon,  
Huntington, Ill., treasurer, and Frank  
Morrison, Chicago, secretary.

## Referendum Is Rejected.

Resolutions asking whether it would  
not be advisable to elect by a referen-  
dum the officers of the organization were  
voted down today by the delegates.

"The question came up on the resolu-  
tion of the Daily Advertiser of Chicago,  
which had been referred to the commit-  
tee on laws. In reporting, the commit-  
tee voted that they had been consid-  
ered and not adopted, and on this  
ground reported non-concurrence."

## Pleads for Rank and File.

Fitzpatrick contended that the rank  
and file ought to be given a chance to  
vote as to whether they desired put-  
ting the referendum into effect in the  
federation.

J. M. Barnes of Chicago opposed the  
committee's report and said the fed-  
eration officers opposed the referendum  
because they would not feel so secure  
in their positions with the proposed  
system of voting.

Samuel Gompers, president of the  
federation, in reply said he could earn  
as much money in another line if he  
was not re-elected. He said if the ini-  
tiative and referendum was to be  
adopted, the members must wait until  
the next year, when they could vote  
themselves out of office.

## Advice Against Measure.

Mr. Gompers said he had investigated  
the question and written to all the  
local unions and various interna-  
tionals asking for advice on the ques-  
tion. All the replies, he said, were  
negative on the question.

The threatened breach brought about  
last night by consideration of a resolu-  
tion calling for the suspension of the  
United Brotherhood of Carpenters and  
Joiners' dues, was averted by the  
good-naturedly that the proceedings be  
printed in full.

Reaction by S. B. Marks of the  
Georgia Federation of Labor, providing  
that the convention meet each year in  
November in Washington, D. C., was  
voted down.

## RASKA AND DREN ARE SEIZED AND AUSTRIANS NEAR SIENICA

Novipazar Also Seriously Threatened—Bulgarian Successes  
at Katchanik Pass, Tetovo and Babuna Pass  
Are Confirmed.

LONDON, November 20.—The Serbian  
armies, which have been  
Teutonic advance from the north, are now reaching territory in close  
proximity to the Montenegrin border. Operating in the region west  
of the Kopanik Planina, the forces of Field Marshal von Mackensen  
are pressing on Novipazar, which, roughly, is only twenty-five miles  
from the frontier. Berlin announces the taking of Raska, a dozen  
miles to the northeast of Novipazar, and of Dren, approximately the  
same distance directly to the east.

Twenty-five miles to the northwest of Novipazar the Austrian  
advance has reached Siemica, narrowing appreciably the gap through  
which the Serbian retreat must be conducted.

In the south the situation appears even more threatening to the  
Serbians.

## Albanians to Resist.

A Constantinople dispatch reports  
that Albanian troops have been con-  
centrated along the Serbian border to  
hold back the Serbians in their retreat.  
The Bulgarian successes at Katchanik  
pass and the Babuna pass have  
now been confirmed, and the Kuvov-  
plateau, where the Serbians expected  
to make a last desperate resistance, is  
now apparently open to the invaders.

The fall of Monastir has not been con-  
firmed, and according to latest infor-  
mation, the Serbians are advancing thence  
to meet the Bulgarians, but endan-
